

From 09h30

SPECIAL EVENT

TV Studio 1 09:30-10:10
Special Event
Opening ceremony

From 11h45

Sustainable blue economy

V1 11:45-13:00
Brainstorming lab
Green Deal without borders: global circular economy solutions against plastic
GIZ (Deutsche Gesellschaft für Internationale Zusammenarbeit)

From 13h00

SPECIAL EVENT

TV Studio 1 15:00-15:45
Special Event
Forging a Women's Alliance for Cross-Continental Climate Leadership

From 16h00

SPECIAL EVENT

TV Studio 1 17:20-18:20
Special Event
YOUTH ACTION ON BIODIVERSITY: Priorities, Narratives and Accelerating Impact
European Commission - Directorate-General for International Partnerships

PROGRAMME OVERVIEW

TV Studio 1 10:10-10:30
Program overview
What's on this morning

Sustainable urbanisation

V2 11:45-13:00
Brainstorming lab
What makes a migrant and refugee-inclusive city a more sustainable one?
Organisation for Economic Co-operation and Development (OECD)

PROGRAMME OVERVIEW

TV Studio 1 14:30-14:50
Program overview
What's on this afternoon

Water and sanitation

TV Studio 3 16:00-16:10
Agora
Integrated Water Resources Management to accelerate progress on the SDGs
Global Water Partnership

Sustainable blue economy

TV Studio 1 10:35-11:35
High-level panel - Auditorium
Transparency and inclusive management for sustainable fisheries in Africa
Environmental Justice Foundation

Rural transformation and food systems

V3 11:45-13:00
Brainstorming lab
VET, youth and rural communities for a greener and sustainable Europe
UNMFREO

Sustainable blue economy

TV Studio 1 13:00-13:45
Lab debate
Working together to build a Sustainable Ocean Economy
Mission of Canada to the European Union

Pollution and chemicals

TV Studio 4 16:00-16:10
Agora
Boosting circularity in the global textile industry
Humana People to People

Green finance

TV Studio 2 10:35-11:35
High-level panel - Auditorium
Transforming Climate Finance to Tackle the Climate Emergency & Drive Development
African Climate Finance Hub

Green and circular economy

V4 11:45-13:00
Brainstorming lab
Youth leading the way to a Greener Future
Legacoop

Green finance

TV Studio 2 13:00-13:45
Project or report lab
Facilitating access to climate finance through effective multilevel governance
ICLEI (ICLEI-local governments for sustainability)

Green economy-related education and training

TV Studio 5 16:00-16:10
Agora
The Missing Link: Teaching for Green Transformation
International Task Force on Teachers for Education 2030

Sustainable urbanisation

TV Studio 3 10:35-11:35
High-level panel - Auditorium
From rapid urbanization to the green shift
UN-Habitat (United Nations Human Settlements Programme)

Sustainable blue economy

TV Studio 1 12:00-12:45
Lab debate
Harnessing the Blue Economy for Sustainable Economic Development of ACP States
TradeCom II Programme

Sustainable urbanisation

TV Studio 3 13:00-13:45
Project or report lab
Towards Resilient Cities and Territories - Taking local action to scale
United Cities and Local Governments

Pollution and chemicals

V5 16:00-17:15
Brainstorming lab
Harnessing tobacco control's contributions to a greener economy
Framework Convention Alliance

Rural transformation and food systems

TV Studio 4 10:35-11:35
High-level panel - Auditorium
Diverse, local, indigenous: Pathways for food security and conservation
European Parliament

Green finance

TV Studio 2 12:00-12:45
Lab debate
Using blended finance to mobilize capital for the \$1.8 tn adaptation opportunity
The Dutch Development Bank

Rural transformation and food systems

TV Studio 4 13:00-13:45
Project or report lab
Regreening Africa: restoring degraded lands for people and nature
World Agroforestry Centre

Green finance

V6 16:00-17:15
Brainstorming lab
Partnerships for climate finance and a green recovery
European Commission - Directorate-General for International Partnerships

Green and circular economy

TV Studio 5 10:35-11:35
High-level panel - Auditorium
Fast Forward: New Business models for a green and circular recovery
International Trade Centre

Sustainable urbanisation

TV Studio 3 12:00-12:45
Lab debate
Joining efforts and cooperating around Innovative and Sustainable Cities
United Cities and Local Governments of Africa

Green and circular economy

TV Studio 5 13:00-13:45
Project or report lab
Building new partnerships to globally support EU priorities on the circular economy
SWITCH to Green Facility

Green economy-related education and training

V7 16:00-17:15
Brainstorming lab
How to bring the SDGs to the workforce?
MDF Training & Consultancy

Sustainable blue economy

TV Studio 1 11:40-11:50
Agora
Securing the oceans for the blue economy?
Expertise France

Rural transformation and food systems

TV Studio 4 12:00-12:45
Lab debate
Affordable, healthy and sustainable food for all. Perspective from the South
Enabel - Belgian Development Agency

Sustainable energy

TV Studio 2 14:55-15:55
High-level panel - Auditorium
Healthy people & planet-the power of clean energy solutions for health & climate
World Health Organization

Sustainable energy

TV Studio 2 16:20-17:05
Lab debate
Powering clean and affordable energy solutions for all
European Investment Bank (EIB)

From 09h30

Green finance

TV Studio 2 11:40-11:50
Agora
Financing Our Future – Financing A Global Green Deal
GIZ (Deutsche Gesellschaft für Internationale Zusammenarbeit)

From 11h45

Green and circular economy

TV Studio 5 12:00-12:45
Lab debate
Extractives and taxation
ActionAid International

From 13h00

Water and sanitation

TV Studio 3 14:55-15:55
High-level panel - Auditorium
Water, Sanitation and Hygiene (WASH) Innovations for Inclusive Growth
UNICEF (United Nations Children's Fund)

From 16h00

Water and sanitation

TV Studio 3 16:20-17:05
Lab debate
Pathways towards climate-resilient sanitation
WaterAid

Sustainable urbanisation

TV Studio 3 11:40-11:50
Agora
A Story of Scaling Success, the MobiliseYourCity Partnership
MobiliseYourCity

Green finance

TV Studio 2 12:50-13:00
Agora
Financing the transition to net zero: EDFI's commitments and impact
European Development Finance Institutions

Pollution and chemicals

TV Studio 4 14:55-15:55
High-level panel - Auditorium
A zero pollution ambition for a toxic-free environment
Ministère de l'Europe et des Affaires étrangères, France

Pollution and chemicals

TV Studio 4 16:20-17:05
Lab debate
Save Lives, Protect Food and Slow Climate Change – all at once
Climate and Clean Air Coalition

Rural transformation and food systems

TV Studio 4 11:40-11:50
Agora
Climate Resilient Food Value Chains in Sub-Saharan Africa
Humana People to People

Rural transformation and food systems

TV Studio 4 12:50-13:00
Agora
Geographical Indications - An Opportunity for Biodiversity
European Commission - Directorate-General for Agriculture and Rural Development

Green economy-related education and training

TV Studio 5 14:55-15:55
High-level panel - Auditorium
Human capital and mobility at the service of the green economy
International Centre for Migration Policy Development

Green economy-related education and training

TV Studio 5 16:20-17:05
Lab debate
Can the Future of Skills Be Green and Gender-Inclusive?
United Nations Industrial Development Organization

Green and circular economy

TV Studio 5 11:40-11:50
Agora
Sharing and Circular Economy: Introducing E-Mobility Business Models for Sub-Sahara Africa
Siemens Stiftung

Sustainable energy

TV Studio 2 17:20-18:05
Project or report lab
It's a match?! Linking Water, Energy and Food with the Private&Finance Sectors
Energypedia

Water and sanitation

TV Studio 3 17:20-18:05
Project or report lab
To Solve Water Scarcity, Every Drop of Knowledge Matters
Festo Didactic SE

Pollution and chemicals

TV Studio 4 17:20-18:05
Project or report lab
Value what you wear!
Sequa gGmbH

Green economy-related education and training

TV Studio 5 17:20-18:05
Project or report lab
Empowering African youth with digital skills to affect the Green Economy
The Camden Education Trust

From 09h00

PROGRAMME OVERVIEW

TV Studio 1 09:00-09:20
Program overview
What's on this morning

From 10h45

SPECIAL EVENT

TV Studio 1 13:00-14:00
Special Event
Healthy planet, healthy people

From 13h20

SPECIAL EVENT

TV Studio 1 14:30-15:30
Special Event
Climate action matters: from diplomacy to cooperation, support, and security
Climate Action Network Europe

From 15h10

SPECIAL EVENT

TV Studio 1 16:00-17:00
Special Event
Conservation in a fragile context: protect people and nature in Virunga National Park
Virunga Foundation

Seascapes and coastal areas

TV Studio 2 09:25-10:25
High-level panel - Auditorium
Are natural solutions fit for climate only?
Wetlands International European Association

Forest and landscape management

V10 10:45-12:00
Brainstorming lab
Serious games to solve serious forest problems
Leaf

PROGRAMME OVERVIEW

TV Studio 1 13:20-13:40
Program overview
What's on this afternoon

SPECIAL EVENT

TV Studio 1 17:15-18:15
Special Event
Closing ceremony

Indigenous peoples and local communities

TV Studio 3 09:25-10:25
High-level panel - Auditorium
Creating a Sustainable Future – Voices of Indigenous Women
Oxfam IBIS

Protected area management and species conservation

V11 10:45-12:00
Brainstorming lab
Ecological compensation that helps achieve biodiversity targets
Biotope

Wildlife, security and development

TV Studio 2 13:45-14:45
High-level panel - Auditorium
Will the Green Deal save Wildlife from trafficking?
United Nations Office on Drugs and Crime - Brussels Liaison Office

Wildlife, security and development

TV Studio 2 15:10-15:55
Lab debate
Strengthening global partnership to combat wildlife crime
Wildlife Conservation Society

Climate change: natural resources, food and mobility

TV Studio 4 09:25-10:25
High-level panel - Auditorium
How to achieve a Green Deal for Africa?
Practitioners' Network for European development cooperation

Indigenous peoples and local communities

V8 10:45-12:00
Brainstorming lab
Indigenous Peoples' Food Systems
Food and Agriculture Organization of the United Nations

Protected area management and species conservation

TV Studio 3 13:45-14:45
High-level panel - Auditorium
Increasing protected areas and mobilizing resources
European Commission - DG for Environment

Protected area management and species conservation

TV Studio 3 15:10-15:55
Lab debate
African Landscapes for People and Wildlife
African Wildlife Foundation

Forest and landscape management

TV Studio 5 09:25-10:25
High-level panel - Auditorium
Forests are too precious to lose: halting deforestation & enhancing biodiversity
Food and Agriculture Organization of the United Nations

Climate change: natural resources, food and mobility

V9 10:45-12:00
Brainstorming lab
Youth voices for the planet
United Nations

Research, data and new technologies

TV Studio 4 13:45-14:45
High-level panel - Auditorium
Earth observation: a game changer for the Green Deal
European Commission - Directorate-General for International Partnerships

Research, data and new technologies

TV Studio 4 15:10-15:55
Lab debate
When biodiversity meets public health: controlling diseases vectors
Imperial College London

Indigenous peoples and local communities

TV Studio 3 10:30-10:40
Agora
A One Health approach for pastoralism
Vétérinaires Sans Frontières International

Seascapes and coastal areas

TV Studio 2 10:50-11:35
Lab debate
Mangrove Contributions to People (included local communities)
Institut de Recherche pour le Développement (IRD)

Transboundary watersheds

TV Studio 5 13:45-14:45
High-level panel - Auditorium
Transboundary watersheds: sharing basins for people, planet, prosperity and peace
United Nations Economic Commission for Europe

Transboundary watersheds

TV Studio 5 15:10-15:55
Lab debate
Nexus, Digitalisation and Human Capital for a Green-Deal in Transboundary Waters
European Commission - DG Joint Research Center

Climate change: natural resources, food and mobility

TV Studio 4 10:30-10:40
Agora

PLATFORMA

Indigenous peoples and local communities

TV Studio 3 10:50-11:35
Lab debate
Partnering with indigenous communities to respect Human Rights in business
ZABALA Innovation Consulting

Wildlife, security and development

V12 14:45-16:00
Brainstorming lab
Environmental programmes' regional coordination in the context of a shifting aid
Expertise Advisors

Protected area management and species conservation

TV Studio 3 16:00-16:10
Agora
From conservation to transformative change for biodiversity. On the road to CBD COP15 in Kunming.
Post Biodiversity Framework

Forest and landscape management

TV Studio 5 10:30-10:40
Agora
No people without forests – no forests without people
Federal Ministry for Economic Cooperation and Development, Germany (BMZ)

Climate change: natural resources, food and mobility

TV Studio 4 10:50-11:35
Project or report lab
What a changing climate means for human mobility in the Pacific
Internal Displacement Monitoring Centre

Wildlife, security and development

TV Studio 2 14:50-15:00
Agora
Serious health & climate impacts of wildlife crime force transformative change
Born Free Foundation

Transboundary watersheds

TV Studio 5 16:00-16:10
Agora
Setting up a water quality monitoring network in the Senegal River basin
European Commission - DG Joint Research Center

From 09h00

From 10h45

Forest and landscape management

TV Studio 5 10:50-11:35
Lab debate
Guiana Shield: the essential role of nature in solving the global climate crisis
Conservation International

From 13h20

Protected area management and species conservation

TV Studio 3 14:50-15:00
Agora
Protection of natural World Heritage sites in the Congo Basin
UNESCO (United Nations Educational, Scientific and Cultural Organization)

From 15h10

Wildlife, security and development

TV Studio 2 16:10-16:55
Lab debate
Conservation in Fragile States: myths, realities and opportunities
EuropeAid

Climate change: natural resources, food and mobility

TV Studio 4 11:40-11:50
Agora
Healthy nature for a good climate
EUROCLIMA+

Research, data and new technologies

TV Studio 4 14:50-15:00
Agora
How new technologies in social and health services can protect the most vulnerable people in Africa
Satec

Protected area management and species conservation

TV Studio 3 16:10-16:55
Project or report lab
Civil Society: A good deal for the Green Deal
Critical Ecosystem Partnership Fund

Seascapes and coastal areas

TV Studio 2 11:50-12:35
Project or report lab
The role of rural youth in the protection of marine and coastal ecosystems
We Effect

Research, data and new technologies

TV Studio 4 16:10-16:55
Project or report lab
Opening access to biodiversity data for development
Global Biodiversity Information Facility

Indigenous peoples and local communities

TV Studio 3 11:50-12:35
Lab debate
Rural and community-led initiatives by and for indigenous women
Policy Forum on Development

Transboundary watersheds

TV Studio 5 16:10-16:55
Project or report lab
Predicting conflicts: the Water, Peace & Security partnership Early Warning Tool
World Resources Institute

Climate change: natural resources, food and mobility

TV Studio 4 11:50-12:35
Lab debate
Adaptive social protection in the development agenda
Agence Française de Développement

Research, data and new technologies

TV Studio 4 17:00-17:10
Agora
Addressing the global e-waste challenge
International Telecommunication Union (ITU)

Forest and landscape management

TV Studio 5 11:50-12:35
Project or report lab
Busting silos, embracing landscapes
The Netherlands Red Cross

Seascapes and coastal areas

TV Studio 2 12:40-12:50
Agora
Science-Policy Interface in Ocean Governance
UNEP (United Nations Environment Programme)
