**An opportunity to meet Heads of States, Policy Makers, Business Leaders, International Organisations and Young Leaders at Europe's leading development forum**

The European Development Days is Europe's leading forum on international cooperation and development. In its twelfth year, EDD 2018 will focus on gender equality and the empowerment and engagement of women and girls in sustainable development. The discussion will be built around three major themes: Physical and psychological integrity of women and girls; Socio-economic rights/empowerment of women and girls; Voice and participation for women and girls.

*"We believe in human dignity and we must defend it everywhere. We cannot afford to neglect those who have invested their hopes in a better world,"* Jean-Claude Juncker, President of the European Commission.

We are looking forward to welcoming journalists from all countries and platforms to this enriching two-day event, where **Heads of States, Policy Makers, Business Leaders, International Organisations** and **Young Leaders from around the world share ideas and experiences** in ways that inspire new partnerships and innovative solutions to the world's most pressing challenges.
